

Petition to Keep Kalihi Elementary Open

EXHIBIT F

Petition summary and background
 Please sign this petition to help us keep Kalihi Elementary from closing. The Farrington complex is up for consolidation and Kalihi elementary is one of the schools that are being considered. These cost cutting techniques by the DOE are taking away more schools from our keiki. Please rally with us!

Action petitioned for
 We, the undersigned, are concerned citizens who urge our leaders to act now to keep Kalihi Elementary open.
