Subject: queen lydia liliuokalani school

Hello, My name is Kayo Haugen. My daughter is 1st grader in this school.

Could you please keep open queen liliuokalani school.

I understand, if you guys close our school and save money. Money is important.

BUT, I want you to think about our keiki's feelings.

My daughter was crying everymorning because she didn't wanna go to school before.

**but now, she really wants to go to school even weekend too.
She said everybody knows her name and she knows everybody. She
is comfortable in school, she said**

**If, I have to change my job, I will. because I have to care family but if
don't need, I don't wanna change.**

Very very big thing for kids to change there school . They are still kids

**Now they used to be there and make friends and more, but if they
have to go to other school, How long they need time to be there
students.**

I think they can study in comfortable place .

**Also, I heard many people talked about queen's history on 12/13 at
kalani highschool.**

I think this is important thing too.

**If you close our school and erased history , nobody can get back the
queen's history.**

**I will say again, money is important but HISTORY AND KEIKI'S
FEELINGS are more important !!**

Please keep open our school.

Thank you.
